

Discovery Roots Academy Enrollment Application

Today's Date:
Child's Name:
Birth date:
Address (street, town, zip):
Phone:
Child's Current Grade:
Parent/Guardian #1 name:
Parent/Guardian #1 Address (if different from child's):
Parent/Guardian #2 name:
Parent/Guardian #2 Address (if different from child's):
Best E-mail Contact Address:

1. How did you hear about Discovery Roots Academy?
2. What are your hopes and expectations for your child?
3. What are your child's strengths? Consider all aspects of your child's development: social, academic, emotional, etc.
4. What are your child's challenges? Consider all aspects of your child's development: social, academic, emotional, etc.
5. How would you describe your child's prosocial behavior? Prosocial behaviors are a range of positive social behaviors such as helping, sharing, cooperating, volunteering, etc.

Please submit the following documents with your application:

- Recent progress report from your student's current or previous school
- Letter of recommendation from the student's most recent educator
 - If this cannot be achieved, a letter from an unrelated adult who is close to the child will be accepted. The person who completed the recommendation should understand the student's social, emotional, and academic development.
- Non-refundable \$50.00 application fee.
 - If you are applying for multiple students in your family, you only need to pay one application fee.

Next Steps:

Placement Assessment

When we receive a completed application (including fees and additional documentation), the admissions team will begin to evaluate placement options for your child. At this stage, we may request that you return with your child to visit our classrooms, especially if we have not met your child previously. During this visit, we may conduct a quick assessment of your child's academic skills to assist with placement.

During the assessment stage, our admissions team may reach out to you with questions or to request additional information. Please respond within two business days, so that we can move forward with your child's application in a timely manner. If we do not receive a response within 2 business days, we put a hold on your child's application. Any application that is on hold will expire after two weeks.

Enrollment

All admissions decisions will be shared via email following the placement assessment. Applications are reviewed in the order they are received. In general, decisions are made within one week from when you submit all required materials. If you are curious about the status of your child's application, you can email the admission team at discoveryrootsoffice@gmail.com.
